THE YEN HOUSE INTL

Dear Sir/ma

In my search for new creative endeavors, I was thrilled to find a web developer position opening at your organization . I have two years experience in creating E-COMMERCE , FRONT-END & BACK-END projects for clients from Western Europe and the USA . I have constantly enjoyed working with clients to unravel how they can make their brands shine and communicate better with audiences.

Identifying improved approaches and enhanced solutions to business challenges are activities that drive and inspire me. I believe that fresh perspectives and trying new techniques help businesses evolve and grow. A part of my day to day activities includes developing and customization of websites to my clients highest specification and carrying out routine maintenance for these website . Some examples of projects i have taken on are
